80 Feet of Bay Frontage in Coronado!

CORONADO CALIFORNIA

Captivating San Diego Bay and City Views. 80 feet of bay frontage with extraordinary views of the San Diego bay and the City skyline. Come to the island and live in paradise. A grand entry awaits the moment you open the door and flows onto a huge outdoor living space with spa and outdoor bar. Built by Jackman Construction, one of Coronado's premier custom builders. This unique design opens to the bay front and has incredible views from almost every room on the first level including the spacious master bedroom suite. Take the elevator or stairs to the lower level with 3 bedrooms, 3 baths and den with a garage large enough to fit 6 cars. Built in 2003 it is in excellent condition and ready to enjoy!
