# Contemporary Craftsman in Coronado

CORONADO CALIFORNIA

Stunning Gatling Design Neo-Craftsman residence in the heart of Coronado! This incredible architectural achievement offers effortless luxury; a result of half a decade of planning and design. Once inside this home opens up with 16 foot ceilings with scissor truss beams and clear story windows. Notice beautiful Rosewood flooring, vertical grain fir built-ins and library style spiral staircase, commercial lighting, La Cornue stove/oven and wine cellar with 300 year old French doors.  
**Seller Will Entertain Offers Between \$2,995,000 - \$3,399,000\***
