Breathtaking Estate on Top of the Sky

RANCHO SANTA FE CALIFORNIA

This 5BR/7BA sprawling "Dan Castillero" Tuscan-style estate is situated on 2+ acres from Cielo's highest peak and offers sweeping panoramic ocean views and fiery sunsets. The courtyard entry greets you with double glass and wrought iron doors and leads you to the majestic interior complete with tumbled travertine flooring, Venetian plastered walls, recessed lighting, rich wood doors and architecturally enhanced ceilings. The family room boasts soaring ceilings with vintage wood beams, grand stone fireplace, walk-behind bar with red brick inlay, custom wine racks and pocket doors, providing seamless access to the equally astounding grounds. The backyard and exterior areas are an entertainer's delight with an infinity edge pool, spa, fire pit, outdoor kitchen and lanai; perfect for grand events or more intimate occasions. **Seller Will Entertain Offers Between \$3,750,000 - \$4,250,000***
